

7th European Congress of Mathematics

July 18-22, 2016
TU Berlin

Dear Colleagues,

We cordially invite mathematicians from all over the world to participate in the 7th European Congress of Mathematics. The quadrennial Congress of the European Mathematical Society (EMS) is organised by the German Mathematical Society (DMV), the International Association of Applied Mathematics and Mechanics (GAMM), the Research Center MATHEON, the Einstein Center ECMath and the Berlin Mathematical School (BMS). The congress will take place from July 18 - 22, 2016 at the Technische Universität Berlin in Germany.

The programme of the congress will cover all areas of theoretical and applied mathematics. As in the past, the EMS Prizes, the Felix-Klein Prize and the Otto-Neugebauer Prize will be awarded. In addition to the regular programme, there will be a historical session and several exhibitions. A math film festival is also being planned. Let Berlin inspire you with the creative atmosphere of its fascinating city!

Detailed information about registration, important deadlines, the scientific and social programme and proceedings can be found at www.7ecm.de. If you wish to receive updates please register at www.7ecm.de/newsletter.html.

We look forward to meeting you in Berlin!
